

The Goffnett Edition

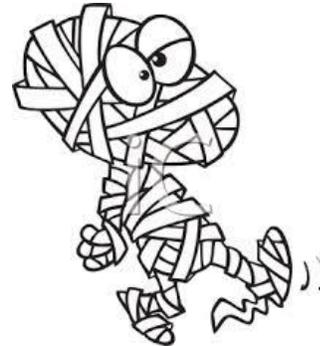

Conferences: Conferences are next week! If you are not sure of your time and date please contact me ASAP! We will have a half day of school Wednesday and Thursday along with no school Friday due to conferences! I look forward to seeing everyone!

Halloween Party: Thank you for all the donations and volunteers that signed up! We are very grateful! For a reminder the party will take place on Monday, October 31st. We will be getting into costumes at 2:30 and starting the parade at 2:45! The party will begin right after the parade. **We did get a new student this week so if you signed up for something that you are bringing 17 items please plan on 18 now!**

Math: This week we did a combination or Halloween math along with ordering our numbers 0-10 all on our own!

Writing: We spent our week learning how to recognize, write and the sound of the letter Gg. We have also been working on adding detail to our picture.

Reading: We are still working on our strategies to help us with our emergent reading skills. One is called the linger finger and the other is a letter treasure hunt along with a new one called characters do, characters say. Next time you are reading, ask your child to show you what these mean! As a class, we have been working on predicting a story before we read the story!
